WHAT INSPIRED YOU TO PURSUE A CAREER IN CANNABIS, AND WHAT MOTIVATES YOU TO CONTINUE IN THIS FIELD?

After 13 years in a male dominated Automotive industry I was attracted to an industry that provided help and healing as well as wanted to work toward removing the stigma behind cannabis I stayed because of the people and vibe.

WHAT ADVICE WOULD YOU GIVE TO OTHER WOMEN WHO ASPIRE TO PURSUE A CAREER IN CANNABIS?

Don't give up, learn all you are able to and network. The industry is growing and so many possibilities are available let your voice be heard.

ARE THERE ANY FEMALE MENTORS OR ROLE MODELS WHO HAVE INFLUENCED YOUR CAREER IN CANNABIS? IF SO, HOW?

Anja Charbonneau is the Editor and Chief of Broccoli Magazine her use of Cannabis in fashion and art intrigued the creative side of me as well as I admire her work in funding equity based initiatives focusing on the overly policed population that have been impacted by the war on drugs

LASTLY, HOW DO YOU BELIEVE CELEBRATING WOMEN'S HISTORY MONTH CAN POSITIVELY IMPACT THE REPRESENTATION AND RECOGNITION OF WOMEN IN THE CANNABIS INDUSTRY?

Currently 22% of the industry are women, celebrating those in it could entice more women to try something that they feel may be male dominant and allow to understand the amount of options for career choices within the industry
